Items included in Shipment: _____

Service Requested: _____

Would you like us to use Low-Friction SKF Fork seals? NO ☐ // YES ☐ → Green ☐ Black ☐

NOTE: When reassembling the suspensions on your bike please follow the instructions and torque specs as stated on your service manual.

Fluids and Nitrogen are included in our prices. Parts are not included in the price.

Please remove (If possible) push button fork bleeders and replace with factory screws prior to shipping.

We might call the number provided for a rider interview and discuss work to be performed.

By shipping your suspensions, you are allowing Andreani USA, to perform all services and you are agreeing to pay all charges including shipping and handling. An invoice will be sent once work is completed, to the email address provided. Payment is due before shipping and all credit cards are accepted.
